

PPA Transpo Committee

10 April 2024 / via Zoom

Attendees

Eric Lind, David Frank (Rethinking I-94 delegate), Robert Sykora

Agenda

New Business

1. Introductions
2. Discussion of topics or projects for PPA Transportation Committee 2024 agenda

Notes

- Robert's history with 94 sound wall - signed agreement to repaint after modification to absorb sound. Aesthetic remediation (graffiti; vegetation actually makes it worse?). Willows being planted to prevent/cover graffiti (Franklin to Ped bridge); also west of Franklin on westbound side
- Items for Transportation Committee to work on this year:
 - Rethinking I-94
 - Speeding & stop sign compliance - investigate whether the speed camera pilot for Vision Zero can include PP (Franklin?)
 - Other alternatives to enforcement than MPD
 - Crosswalks - e.g. elevated crosswalk for speed control
 - Franklin - Malcolm/Arthur (pollinator preserve)
 - Bedford & Franklin crossing
 - Sidewalk connections - e.g. with Malcolm & University to future E Line stop
 - Permanent curb/restructuring to follow the planter boxes @ Orlin & Malcolm
 - Legislative & City Council connections - how to build?
 - Sen Diedzic
 - CM Wonsley - David finds her proactive
 - Celeste (aide) responsive
 - Rep Noor

- LRT safety - tracking efforts and improvements, especially around Westgate & PPK
- Ped priority @ PPK station across University
- Engagement with 4th St apartment neighbors on Transportation
- Bicycling: River crossing on railroad bridge? (Dan Cross)
- Regional trail “missing link” from PP to Northeast Mpls (over rail behind UM Transitway)
- Presentations?
 - MnDOT community engagement
 - Mpls Public Works (through CM Wonsley)
 - Metro Transit community engagement
- Rethinking 94 update - “one meeting every once in a while”
 - Soliciting input through PP e-list
 - David feels we should organize informational session so that people know about the decision to be made (whether they agree or not)
